Spring Summer 2022

Spring Summer 2022

Spring Summer 2022

It is still exciting to see the ongoing innovations within our new product line ups and we continue to grow sales and market share across our region.

To support this progress, I would like to give a special mention to the following Key and Primary launch introductions in this new range respectively:

Easy Fade and Easy Fade pro:

Create the ultimate fade with confidence, using the Easy Fade Hair Clippers. This High-Speed Clipper gives you a reliable cutting performance in the comfort of your home. Choose from 9 x Barber Graded Fixed Combs (Grades 0-8, 1.5-25mm.) to achieve your desired length, and easily blend between the different hair grades with 10 x Specially Designed Fade Combs (Grade 0 – Grade 5).

Quick Cut Pro:

The Quickcut Pro hair clipper makes perfecting your look at home easy. It has an enhanced motor for 33% faster cutting* and 57% wider stainless steel blades** to capture more hair, giving you an optimum cutting performance. Whether you wear your hair short or long, the clippers have 12 Guide Combs for different lengths (1.5-25mm), making home-styling easy.

*vs HC4250 Turbo speed function provides a boost to power through thick hair
**vs standard Remington hair clipper blades

Coconut Smooth Hot Air Styler:

Pump up the volume, add care-free bounce or go for smooth, sleek hair with the Remington Coconut Smooth Hot Air Styler. Whatever you want today's look to be – we'll get you there. Two mixed bristle brushes work the style while coconut-infused ceramic barrels and Ionic conditioning tames pesky frizz, so you can enjoy a polished result every time.

I would be delighted to hear from you with any comments you may have regarding our Personal Care business. Enjoy the new range and thank you for the ongoing support.

Kind Regards

Tim Wright
